*The Purpose of the Oregon Logging Conference Foundation Scholarship:*

*To promote the Forestry Industry by providing scholastic opportunities to Oregon and Southern Washington students attending Community Colleges, Universities and vocational schools who have forestry and related courses.*

**Scholarship Program:**

The Oregon Logging Conference Foundation (OLCF) scholarship program is offered to students studying in forest engineering, forestry, heavy equipment /diesel mechanics, welding or other forestry related area of study.

This scholarship is designed to help supplement costs of tuition, books, while attending a vocational school, community college or university.

The scholarship award will be sent directly to the recipient's school and deposited into the student's account. If a recipient does not attend college for the year scholarship is awarded the total amount of the scholarship will be returned to the Oregon Logging Conference Foundation. Any unused portion of the scholarship will be returned to the OLCF.

**Applicant Criteria:**

- Must be studying in Forest Engineering, Forest Management, Forest Operations Management, Resource Management, Diesel Mechanics / Heavy Equipment Maintenance, Welding and other forest /timber industry related areas of study.
- Scholarship application must be completed in ink or typed. No applications completed in pencil will be accepted.
- Applicant must provide previous school year's academic grades.
- Applicant must provide at least one letter of work reference and one letter of personal reference. No limit to number of references you can provide.
- Previous year's recipients are eligible to re-apply. Must complete new application.
- The scholarship application must be completed in full.
- All applications must be returned to and postmarked by May 1st to be considered for the OLC Foundation scholarship award.
